

PATRIOTS VS. SAINTS

SERIES HISTORY

The Patriots will square off with the New Orleans Saints in a preseason game for the first time since 2005 when the Saints took a 37-27 win in their first visit ever to Gillette Stadium.

The teams have met in the preseason eight times and are tied at four wins each. The Patriots are 2-2 at home against the Saints.

This week's preseason meeting marks the fourth time that the Patriots will open the preseason against the Saints, having done so in 1968, 1985 and 1994. The 1994 game marked Robert Kraft's first game as owner of the team.

The team's met last season on Monday Night Football with New Orleans capturing a 38-17 victory at the Superdome on Nov. 30. That win snapped a three-game winning streak by the

Patriots over the Saints and also ended a streak of 17 straight wins against NFC opponents.

The Patriots lead the all-time regular-season series with an 8-4 record against New Orleans, including a 4-3 record in home games.

In 1996, the Patriots reached their second Super Bowl in the Crescent City and fell to the Green Bay Packers, 35-21, in Super Bowl XXXI. New England returned to the Big Easy for Super Bowl XXXVI and defeated the St. Louis Rams, 20-17, to claim the first NFL title in team history.

New Orleans QB Drew Brees threw for 371 yards and five touchdowns to lead the Saints to a 38-17 win over the Patriots on Monday Night Football. After falling behind 24-10 at halftime following a 21-point second quarter by New Orleans, the Patriots opened the third quarter with an 8-play, 81-yard drive that culminated with a 2-yard scoring run by RB Laurence Maroney to get within a touchdown at 24-17. That drive was highlighted by a 47-yard completion from QB Tom Brady to WR Randy Moss. The Saints needed just three plays to extend their lead. Brees connected on a pass to WR Marques Colston on a pass play that resulted in a 68-yard gain. That play set up a 2-yard touchdown pass from Brees to TE Darnell Dinkins for a 31-17 lead. Brees added a 20-yard touchdown pass to Colston in the fourth quarter to take a 38-17 victory.

After spotting the Saints a field goal on their opening drive, New England answered with a 14-play, 80-yard drive that ended on a 4-yard touchdown run by Maroney on a fourth-down play. The Patriots stopped the Saints on the next series, and a 41-yard punt return by WR Wes Welker gave the Patriots a first down at the New Orleans 46-yard line. New England failed to capitalize on the good field position when Brady was intercepted by CB Mike McKenzie. The Saints converted the turnover into a touchdown early in the second quarter for a 10-7 lead. Brees took advantage of a mixed up coverage by the Patriots on the next series, resulting in a 75-yard touchdown pass to WR Devery Henderson for a 17-7 lead. Following a 36-yard New England field goal that closed the gap to 17-10, Brees took New Orleans to the New England 38-yard line where he connected with WR Robert Meachem on a 38-yard touchdown to take a 24-10 halftime lead.

Brady finished 21-of-36 for 237 yards with two interceptions and no touchdowns. He did pass Drew Bledsoe to become the Patriots all-time leading passer, but snapped a five-game streak of 300-yard games to fall one game below the NFL record.

ROBERT KRAFT NEWS & NOTES

Since Robert Kraft purchased the team in 1994, the Patriots have experienced one of the most dramatic turnarounds in the history of sports. In 16 seasons of ownership, Kraft has transformed one of the league's least successful clubs into what many observers view as a model NFL franchise. In the five seasons immediately preceding his purchase (1989-93), the Patriots were a moribund team, winning just 19 of 80 games (.311 pct.) and recording the worst record in the NFL over that span. When he bought the franchise on Jan. 21, 1994, Kraft announced his intention to bring a championship to New England, a tall order considering the team's previous success rate. But under Kraft's leadership, the Patriots have won nine division titles, five conference crowns and three Super Bowl championships. The Patriots have made five Super Bowl appearances since Kraft purchased the team, a period during which no other NFL franchise has earned more than three berths.

SELLOUT STREAK

In the early 1990s, the Patriots seemed destined for relocation until Robert Kraft's purchase of the team rejuvenated local interest. In 1991, the season ticket base was just 17,635, barely enough to support the club. Now, the season-ticket base stands at a capped total of 61,759 and more than 50,000 fans are on a waiting list. The Patriots have sold out 170 consecutive home games (dating back to the 1994 regular-season opener).

SUCCESS STORY

Since Robert Kraft purchased the team in 1994, the Patriots have been one of the NFL's elite franchises. Over the first 16 seasons of Kraft's ownership, the Patriots own the NFL's highest winning percentage and have won more Super Bowl titles, more conference championships and more playoff games than any other NFL team. The Patriots have now won 9 or more games in 13 of the 16 seasons that Robert Kraft has owned the team.

Bill Belichick is the only head coach in NFL history to win three Super Bowl titles in a four-year span. He spent 20 years as an assistant coach in the NFL and this is his 16th season as a head coach. According to the Elias Sports Bureau, he is the only man in NFL history to serve 20 or more seasons as an assistant coach and at least 15 seasons as a head coach. Over a 100-game span from 2003-08, Belichick directed the team to an 82-18 record, marking the best 100-game span for any team in NFL history. In the 2007 season, Belichick led the Patriots to the fourth undefeated and untied regular season in the NFL's 90-year history and the first since the NFL established a 16-game schedule in 1978. He has led the Patriots to the Super Bowl four times and has produced seven division championships, including five straight from 2003-07. Belichick's Patriots teams own the all-time NFL records for consecutive total victories (21 from 2003-04), and established the record for consecutive regular-season victories (21 from 2006-08) and consecutive playoff victories (10 from 2001-05). Belichick owns the second-best postseason record in NFL history (15-5) and is the winningest NFL head coach since 2001 (121-41). From 2003-04, he directed the Patriots to back-to-back Super Bowl titles while posting consecutive 17-win campaigns. Belichick has spent more seasons in the league than any other current NFL head coach, and in that time has been a part of five Super Bowl championship teams. His overall record of 126-52 with the Patriots gives him the most victories and the best winning percentage of any head coach in franchise history.

ELITE COMPANY

Bill Belichick is one of nine NFL head coaches to win three or more championships since the league began postseason play in 1933. With the Patriots' victory in Super Bowl XXXIX, Belichick joined an exclusive club in which each of the eight other members has been enshrined in the Pro Football Hall of Fame.

BELICHICK'S PATRIOTS RENAISSANCE

Any successful project requires a sound plan and once head coach Bill Belichick implemented his design on the Patriots, his approach has given him the best record of any NFL head coach who has coached at least 40 games since 2001.

WELKER'S ROUTE TO THE NFL

Despite being named the Oklahoma football player of the year by both *USA Today* and the *Daily Oklahoman*, Wes Welker's only scholarship offer came from Texas Tech, and only after a player that committed to Texas Tech backed out.

"I was thinking I'd get a scholarship somewhere," Welker said. "When it didn't happen when it was supposed to I was pretty hurt by it."

Welker had an impressive collegiate career, accumulating 259 receptions and eight punts returned for touchdowns. He even won a national award as the best special teams player in the country. Despite those accolades, he was passed over in the 2004 NFL draft and signed with San Diego as a free agent. He made the team, then was cut after the first game. He signed with Miami soon after and was used just on special teams. He caught New England's eye with a 71-yard punt return on Monday Night Football in a game against the Patriots. He was acquired by the Patriots in a trade with Miami in 2007.

ZOLTAN MESKO: COMING TO AMERICA

Rookie P Zoltan Mesko was born in Timisoara, Romania, on the Romania-Hungary border. In 1989, during the communist revolutions, his family would survive by diving on the floor to avoid gun shots. Even after the fall of the Berlin Wall, his parents and he lived in poverty. His family was finally able to escape Romania when his father won a United States Permanent Resident Card (green card) in the Diversity Immigrant Visa Lottery in 1997. At the age of 11, Mesko came to America.

MESKO DISCOVERS FOOTBALL

An avid soccer player from his days in Romania, Mesko had a strong leg. It was only when he came to America that he discovered his leg could take him places. In eighth grade, Mesko was playing kickball in the gym when he kicked the ball so high that he broke a light fixture. He was given a choice: pay for the light fixture or play football. With his family still struggling with money and football being a more popular sport than soccer at his school, the choice was an obvious one—Mesko decided to play football. His leg would land him numerous Division I Scholarships and admission offers from Ivy League schools. From these, Mesko chose to play football at Michigan.

TOUGH AT HOME

The Patriots own an overall record of 59-13 (.819) at Gillette Stadium. Since their state-of-the-art facility opened at the beginning of the 2002 season, the Patriots own the NFL's best record at home. In the franchise's first 43 seasons, the Patriots never enjoyed an undefeated season at home. In the past eight seasons at Gillette stadium, the Patriots have celebrated four undefeated seasons (2003, 2004, 2007 and 2009).

NFL'S BEST ROAD WARRIORS THIS DECADE

Since the start of the 2000 season, the Patriots have the third best road record with a 51-29 record, behind Indianapolis. (55-25) and Philadelphia. (51-28-1), despite a 2-6 road record in 2009.

DOUBLE TROUBLE: CB DEVIN MCCOURTY

After being selected by the Patriots in the first round of the 2010 NFL Draft (27th overall), CB Devin McCourty became part of a select group in league history. McCourty's identical twin brother, Jason, is a cornerback with the Tennessee Titans, selected in the sixth round of the 2009 NFL Draft. The two are now only the 11th set of twins to play in the NFL. Devin and Jason were cornerbacks in the Rutgers secondary from 2005-08. Devin redshirted for the 2005 season and therefore was a year behind his brother in eligibility. McCourty is the second twin to suit up for the Patriots, after CB Kato Serwanga was a member of the team from 1998-2000. His twin brother Wasswa played for San Francisco and Minnesota from 1999-2001. According to McCourty's mother, the two can only be told apart by tiny scars on their faces left by chickenpox.

ALL IN THE FAMILY: TE ROB GRONKOWSKI

Rookie TE Rob Gronkowski grew up playing football against his brothers in the backyard. Now, he has a chance to play against them in the NFL. Dan Gronkowski, the oldest of the bunch, is currently in his second season as a TE for the Detroit Lions, while 23-year old Chris is currently in camp with the Dallas Cowboys as a fullback. The Gronkowski's are among 27 different sets of brothers currently in the NFL, yet they are the only family that can claim to have three siblings in the league. If both Rob and Dan make their respective rosters, the two would match-up against one another this Thanksgiving when the Patriots travel to Detroit on Thursday, November 25.

THE TEAM OF THE DECADE

When Robert Kraft purchased the New England Patriots in 1994, few would have thought that just 16 years later the franchise would be the undisputed team of the decade in the first decade of the new millennium. Kraft brought a winning vision to the organization and dedicated his resources to building a consistent winner. On Jan. 27, 2000, Kraft hired Bill Belichick to coach the team, and three months later the team drafted then-unheralded quarterback Tom Brady, putting the final pieces in place for the Patriots to become the most successful NFL team of the 2000s.
