

TAYLOR SWIFT THE RED TOUR

- Only the south retail parking lot (13) may be used for drop-off and pickups, not the north retail parking lot (Lot 23).
- Limousines and buses will not be allowed to drop-off or pickup in any stadium parking lots.
- All vehicles entering the Patriot Place retail parking lots are subject to the parking rules and regulations.
- You are encouraged to return to the south retail parking (via Bass Pro Drive, P9) after 9:30 PM.
- Parents who are dropping off their children **and plan to remain on the property**, either waiting in their vehicle or at Patriot Place stores/restaurants should plan to park in general parking to avoid being in violation of the Parking Rules and Regulations as it relates to retail parking.
- **You should advise your children that you may not be in the same location as they were dropped off since many people will be returning to claim their children at the same time.**
