GENERAL INFORMATION & POLICIES

The New England Revolution is pleased to assist you in your coverage of the team. As an organization, Kraft Sports Group - the New England Patriots and New England Revolution - has specific media policies of which you should be aware as you prepare to cover the team.

GENERAL MEDIA

Training sessions throughout the season are open to the media. In your coverage of daily sessions, we ask for your cooperation in observing the following practice policies:

Please do not report on match strategy. This includes describing specific formations, personnel groupings, set pieces and combinations.

Please do not quote, paraphrase or report the comments made by coaches, staff or players during a training session.

GENERAL SECURITY POLICIES

Because of security procedures in place at Gillette Stadium, any member of the media is wishes to attend a training session at the stadium's practice fields or on the main field, must inform the Revolution Communications staff before the close of business the day before you wish to come. We cannot guarantee admittance to the stadium grounds if we are not aware that you are planning to come down.

CHECKING IN AT GILLETTE STADIUM

All members of the media who attend any Revolution training session at Gillette Stadium must check in at Security Command, located at the south end of the stadium (through the doors under the red awning). All members of the media who have RSVPd with the Revs Communications staff will be on a list at the check-in window. Please have proper forms of ID available.

PHOTO AND PRESS CREDENTIAL WILL CALL

To enter the stadium, please use the P1 Gate and stop at the security booth at the entrance to Gillette Stadium. You will be directed to the proper parking lot from there.

STILL PHOTOGRAPHERS

Still photographers will be allowed to shoot each practice in its entirety. In general, please remain off the playing field and along the outside markings of the field. If you are in need of a specific shot or angle that is not included in this area, please see a member of the Communications staff for assistance.

There will be times during practice that the team will practice set pieces, corner kicks and specific team formations. The team requests that these portions of training not be photographed and not be reported on. Thank you in advance for your understanding and cooperation.

TV PHOTOGRAPHERS

TV cameras will be allowed to shoot training in its entirety, however, there will be instances - such as set pieces and corner kicks - where a member of the Revolution Communications staff will ask all TV photographers to stop shooting for a brief time period.

All player and staff interviews will be conducted on the practice fields at the conclusion of the training session. All interview requests will be collected by members of the Communications staff during the training session. Generally, head coach Steve Nicol will be available first, followed by the players after they have completed their cool down.

Any interview requests that will require additional time with a player or coach should be made well in advance so that we can make the appropriate arrangements. Please contact a member of the Revolution Communications staff to facilitate all interview requests.

FILING AT THE STADIUM

If you need to work and file from Gillette Stadium on a non-gameday, please inform a member of the Communications staff in advance of your arrival so the appropriate arrangements can be made. We cannot guarantee available space if we do not know ahead of time.

TELEVISION AND RADIO PACKAGES

REVOLUTION TV

In February 2007, the Revolution announced that the team entered a two-year, exclusive television rights agreement that makes **TV38 (WSBK-TV)** the team's only regional television broadcast partner in the Boston market.

The deal continues the Revolution's proud tradition of having every MLS match televised over the course of the club's 12-season history.

"This is a great step for the Revolution and our fans," Revolution Chief Operating Officer Brian Bilello said. "In TV38, the Revs are pleased to have a partner that is fully committed to promoting our club in the marketplace, which is great for the fans, the team and the television station. We've witnessed tremendous growth in the value of MLS soccer television on a national level, and now the Revs-TV38 partnership is a reflection of that here in New England."

"TV38 and New England Revolution soccer is an ideal partnership," said Ed Plette, President and General Manager of Boston's TV38, WBSZ-TV, and Providence's CW28 (WLWC-TV). "TV38 is well-known as the region's legacy, independent station broadcasting some of the best, local sports programming. Not only will the Revs be a great addition to our rich program line-up, but also as their broadcast partner, TV38 will be able to bring games to viewers who otherwise might not be able to see them. This is a tremendous opportunity for both TV38 and the Revolution to grow in popularity across New England."

In addition to the Revs' matches on TV38, a selection of Revs games televised on national broadcast partners **ABC/ESPN2**, **Fox Soccer Channel** and **HDNet**. Additionally, league Spanish language broadcast partner **Univision** (which also includes the **Galavision** and **Telefuturo** networks) will broadcast Revolution matches in Spanish to complement the full slate of games shown in English.

This season, Kraft Sports Productions will again produce every regionally televised Revolution match. KSP is headed by Executive Producer Matt Smith and Senior Coordinating Producer Dave Mondillo. For the fourth straight season, Jim Daddona is the producer for Revs regional telecasts. Revs broadcasts in 2007 will again be enhanced by an innovative, cutting-edge replay feature that allows fans to have multiple looks at important plays without missing live action.

REVOLUTION ENGLISH RADIO

The Revolution is also committed to the best in live game radio coverage. Again this season Boston's Sportsradio 850 WEEI AM, the 50,000-watt market leader, will be the primary carrier for Revs radio along with WEEI 103.7 FM in Providence, WVEI-FM WVEI 105.5 FM in Springfield and WVEI 1440 AM in Worcester. Conflicting games will be broadcast on WEEI's sister station, WRKO 680 AM. All WEEI and WRKO games can also be heard streaming live on www.revolutionsoccer.net.

All 30 Revolution regular season games will again be broadcast on radio and on the web. Revolution Director of Broadcast Production Gary Grodecki heads Revolution radio and webcasting production, including the weekly talk show, "In the Net" on revolutionsoccer.net.
