As the staff of Patriots Football Weekly reviews draft video we'll post our notes on what we think of each prospect. Check back frequently as we continue to update this document.

Pos.	Rank	Player	School	Ht.	Wt.	40
DT	1	Ndamukong Suh	Nebraska	6-3	307	5.02
Notes: [Andy Hart] Athlete who closes in both run and pass, but sometimes doesn't finish. Powerful and quick. Great motor. Has a little nasty to him. [Erik Scalavino] Relentless getting after the QB or ball carrier; tough to block 1-on-1; very athletic for his build; knack for blocking kicks, too.						
DT	2	Gerald McCoy*	Oklahoma	6-4	295	5.04
Notes: [Andy Hart] Quick. Makes plays. Moves laterally very well. More one-gap than Suh. 40 starts. Great attitude. Uses hands well in pass rush. Solid tackler. [Erik Scalavino] Nearly identical skill set to Suh.						
DT	3	Dan Williams	Tennessee	6-2	327	5.19
Notes: [Andy Hart] Strong. Good burst. NT type. Moves well, athletic for size. Active. Two-gap potential/experience? [Erik Scalavino] Noticeably slower, heavier than the top two, but still makes plays; moves well for his size.						
DT	4	Jared Odrick	Penn State	6-5	304	5.03
Notes: [Andy Hart] No Comments Posted. [Erik Scalavino] No Comments Posted						
DT	5	Brian Price*	UCLA	6-1	303	5.08
Notes: [Andy Hart] Powerful. Missile off ball at times, finishes plays. Good motor. Stout build. [Erik Scalavino] Versatility to line up inside or out; decent speed; ferocious player vs. run or pass.						

THE REST:

Pos.	Rank	Player	School	Ht.	Wt.	40
DT		Terrence Cody	Alabama	6-4	349	5.71
Notes: [Andy Hart] NT. Two-down player. Fat. Can hold and beat double teams. Pops up at snap at times and plays too high. [Erik Scalavino] Just a big, slow blob with no moves.						
DT		Lamarr Houston	Texas	6-3	305	4.84
Notes: [Andy Hart] 3-4 end potential. Good motor, strength buy can be held in check at LOS at times. [Erik Scalavino] Limited footage, but seems like he has potential.						
DT		Arthur Jones	Syracuse	6-3	295	5.04
Notes: [Andy Hart] Injuries. Undersized nose tackle? Made a lot of plays. Two-gap?. [Erik Scalavino] Reminds me of Jarvis Green; seems solid; nothing spectacular, but could develop in time.						
DT		Torell Troup	Central Florida	6-3	314	5.12
Notes: [Andy Hart] NT, 3 year starter and captain. Dropped 30 lbs as senior. Reads plays well. Plays high vs. double teams. Versatile potential. [Erik Scalavino]. Best suited as a 3-4 nose, perhaps; not a large arsenal of moves; could be a project.						
DT		Al Woods	LSU	6-4	312	
Notes: [Andy Hart] Once a highly touted prospect. Big, athletic man who eats up blockers and can make plays. Little high at times. Production doesn't equal potential Good versatility.. [Erik Scalavino] Moves well side-to-side and can get into the backfield; great potential as a 3-4 end; would be a developmental player, but definitely worth taking in mid to late rounds.						

DT		Tyson Alualu	California	6-3	295	4.87
Notes: [Andy Hart] Good athlete. 38 starts. Lean build. OK quickness. 4-3 guy. [Erik Scalavino]. Speedy, relentless player; athletic, probably better suited as a 4-3 end or 3-4 OLB..						
DT		D'Anthony Smith	Louisiana Tech	6-2	300	4.95

DT		Mike Neal	Purdue	6-3	293	4.96
Notes: [Andy Hart] No Comments Posted. [Erik Scalavino] No Comments Posted						
DT		Cam Thomas	North Carolina	6-4	331	5.18
Notes: [Andy Hart] No footage but scouting report is as a two-gap, nose tackle run stuffer. [Erik Scalavino] No Comments.						
DT		Geno Atkins	Georgia	6-1	293	4.75
Notes: [Andy Hart] Inconsistent. Quick, fast and strong. Undersized and explosive. 4-3 guy. Makes a lot of plays when at his best. [Erik Scalavino]. Pretty quick shooting through the gaps; could have some versatility along the line as well, though he'd need to add weight.						
DT		Linval Joseph*	East Carolina	6-6	322	5.32
Notes: [Andy Hart] No footage, but seen as versatile, riser in class.. [Erik Scalavino] No Comments Posted.						
DT		Nate Collins	Virginia	6-2	279	5.08
Notes: [Andy Hart] No Comments Posted. [Erik Scalavino] No Comments Posted						
DT		Brandon Deakerick	Alabama	6-4	296	4.96

DT		Martin Tevaseu	UNLV	6-1	329	
Notes: [Andy Hart] No Comments Posted. [Erik Scalavino] No Comments Posted						
DT		Cory Peters	Kentucky	6-3	300	4.98
Notes: [Andy Hart] 4 year starter. Inconsistent. Can be doubled. DE? Two-gap?. [Erik Scalavino]. Not as quick as others his size, but could be a late-round project.						
DT		Jeff Owens	Georgia	6-1	304	4.97
Notes: [Andy Hart] Strong, 44 reps. Not quick. NT project?. [Erik Scalavino]. Does everything OK, nothing great.						
DT		Malcolm Sheppard	Arkansas	6-2	285	5.11
Notes: [Andy Hart] Makes plays only when unblocked. Decent effort and motor. Looks like big LB. [Erik Scalavino]. Athletic; seems quick, too; can shoot the gap; a nice sleeper pick.						

Pos.	Rank	Player	School	Ht.	Wt.	40
DE	1	Derrick Morgan*	Georgia Tech	6-3	266	4.77
Notes: [Andy Hart] True 4-3 end. Good motor. Doesn't always close well. Not elite in my mind. [Erik Scalavino] Tough to handle 1-on1; speedy; stout vs. run and pass.						
DE	2	Carlos Dunlap*	Florida	6-6	277	4.68
Notes: [Andy Hart] Physically compares to Peppers or Williams. Elite measurables. Closes and finishes. . [Erik Scalavino] Uses speed and power to rush the QB; can pursue down the line as well; great talent, but an off-field headache; if not for the latter, he'd be the ideal pick at this position.						
DE	3	Jason Pierre-Paul*	South Florida	6-5	270	4.71
Notes: [Andy Hart] Limited experience. Raw. Pretty explosive and closes well. Good motor. [Erik Scalavino] Very raw talent; still has a lot to learn, despite showing great athleticism and instincts; probably overrated heading into the draft.						
DE	4	Everson Griffen*	USC	6-4	273	4.65
Notes: [Andy Hart] Inconsistent. Good but not elite pass rush. Not as good a FB player as his measurements. Huge upside that he'll likely never get to. [Erik Scalavino] Gets a lot of "easy" sacks/tackles after others have done the work; not overly impressive highlights.						
DE	5	Brandon Graham	Michigan	6-1	263	4.74

THE REST:

Pos.	Rank	Player	School	Ht.	Wt.	40
DE		Austen Lane	Murray State	6-6	276	4.84
Notes: [Andy Hart] 23 sacks in last two years at lower level. Needs to get stronger. Closes and finishes. Athlete. Lean. Verty interesting OLB option for NEP. [Erik Scalavino]. High-intensity player with great size/speed; raw, but natural talent; could be versatile enough to play either end or OLB as well.						
DE		Jermaine Cunningham	Florida	6-4	266	4.68
Notes: [Andy Hart] NEP OLB project. Good bubble. Decent burst. Good not great pass rush. Good two-way player with OK power. Keep an eye on. [Erik Scalavino]. Average skills, but exhibits good hustle.						
DE		Corey Wootton	Northwestern	6-6	280	4.8
Notes: [Andy Hart] No Comments Posted . [Erik Scalavino] No Comments Posted						
DE		Jason Worilds*	Virginia Tech	6-1	254	4.65
Notes: [Andy Hart] Pretty quick and fast, but doesn't always close well. Not a big hitter. Decent power. Position?. [Erik Scalavino]. Good speed/power combo; can drop into pass coverage far downfield, too; maybe better suited as a 3-4 OLB.						
DE		Gred Hardy	Mississippi	6-4	281	4.82
Notes: [Andy Hart] Lot of injuries. Made plays when healthy. High upside. Doesn't play strong. [Erik Scalavino]. Very quick, athletic moves to rush the passer; an impressive mid-round talent.						
DE		Lindsey Witten	Connecticut	6-5	250	4.70
Notes: [Andy Hart] Looks part as OLB. Decent athlete with good power and tenacity. Late OLB option?. [Erik Scalavino]. Decent power moves for a lighter guy; another potential OLB prospect.						
DE		George Selvie	South Florida	6-5	252	4.93

Notes: [Andy Hart] Former 1st round prospect. Quick off the ball. Proven production when healthy and has dealt with focus of offenses . [Erik Scalavino]. Solid all-around player; doesn't "wow," but gets the job done.

DE		Willie Young	North Carolina State	6-5	251	4.84

DE		C.J. Wilson	East Carolina	6-3	290	4.83
----	--	-------------	---------------	-----	-----	------

Notes: [Andy Hart] Real DE. Slow off ball a times. Only a workmanlike pass rusher. Catches blockers. JAG. [Erik Scalavino]. Insufficient footage to judge.

Notes: [Andy Hart] Faller. Decent project. Good size. Made plays at times. [Erik Scalavino]. Not overly impressive skills, but shows good effort on most plays.

DE		Clifton Geathers	South Carolina	6-7	281	
----	--	------------------	----------------	-----	-----	--

Notes: [Andy Hart] Insert Comments. [Erik Scalavino]. Intriguing size; decent athleticism; a bit raw, but could be worth the time/effort to develop.

DE		Jeffrey Fitzgerald	Kansas State	6-4	271	
----	--	--------------------	--------------	-----	-----	--

Notes: [Andy Hart] Insert Comments. [Erik Scalavino]. Average overall; a bit slower than others in this group.

DE		Auston English	Oklahoma	6-3	252	
----	--	----------------	----------	-----	-----	--

Notes: [Andy Hart] Insert Comments. [Erik Scalavino]. Pedestrian at best; hustles to overcompensate for his lack of skills, though; another OLB candidate.

DE		Jan Jorgensen	BYU	6-2	260	
----	--	---------------	-----	-----	-----	--

Notes: [Andy Hart] No Comments Posted. [Erik Scalavino]. Limited pass-rush moves; not very quick compared to others.
