

A spot on the New England Patriots Waitlist (“The List”) makes the perfect gift for family, friends, or any Patriots fan.

If you would like to purchase membership to The List as a gift, please make sure the appropriate box is checked on the online form and then complete your purchase with your contact and Visa credit card information.

Within 3-5 business days of your Waitlist purchase, you will receive a payment receipt email and an email containing a link to fill out the gift recipients contact information.

Please promptly complete the contact information link. Once submitted to the Patriots Ticket Office, your gift recipient’s contact information will be used to build their Waitlist account.

A welcome email containing important account information, including the Waitlist account number and PIN, will be sent to the gift recipient 3-5 business days after the contact information link is submitted.

If you have any questions, please call 508-543-1776 or email tickets@patriots.com.

**The name appearing on the contact information survey is the name under which the account will be established. The name may not be changed nor may the account be transferred. There can only be one (1) name per account.*
