

Season Ticket Waiting List Application

To join the season ticket waiting list please fill out this form and return it to the address listed below. Due to the over-whelming demand for season tickets, we limit each person to a maximum of four seats per account. A deposit of \$100 is required for each seat requested. All deposits will be applied toward your account balance once seats are purchased.

Ticket availability is based on the renewal rates of existing season ticket holders. We require full payment (less deposit) at the time of purchase and will contact you when seats become available.

As a member of the Season Ticket Waiting List, you may be offered the opportunity to purchase New England Patriot Tickets, New England Revolution Tickets, and concert tickets before they are put on sale to the general public. To receive private sale notices, please keep your email address on file with the ticket office.

You may request that your name be removed from the waiting list and receive a refund of your deposit at any time prior to receiving notification that you are eligible to purchase season tickets. Your refund request must be in writing and accompanied by a photocopy of reliable identification. However, if you remain on the waiting list and are notified that tickets are available for your purchase, you must purchase season tickets for those seat locations offered to you or otherwise you will forfeit your position on the waiting list as well as your deposit. Your membership on the waiting list and your deposit will also be subject to forfeiture if you break any rule, regulation, or policy either (i) of the New England Patriots or Gillette Stadium or (ii) concerning any program, privilege, or benefit made available to waiting list members.
